

EVER WISH YOU COULD TALK TO YOUR DOG? WELL, NOW YOU CAN!

Master dog language
in this guide to
pet behavior.

A dog tells us what he wants by the way he holds his paw, and even how he barks! This guide features more than 50 different pup poses with detailed explanations of their meaning. Learn why Rover likes to lift his leg on fire hydrants, what it means when he rolls over, what each tail position says about your dog, and a lot more! Test yourself in the interactive “Doggie Dilemma” section, in which our canine expert presents the scenario and YOU determine what it means. This book is packed with cool canine info and rich resources that will help humans better understand the behavior of their amazing pets.
