

# NATIONAL GEOGRAPHIC **KIDS** CHAPTERS

**Incredible stories about animals and  
the people who love them**

In *Ape Escapes*, you'll meet Fu Manchu, the orangutan escape artist; Olivia the "cat" burglar; and Peggy the mischievous pup—three furry friends who give a whole new meaning to the word "naughty." Follow along on their true adventures as they cause chaos, get into all sorts of hilarious hijinks, and charm their way into people's hearts.

**Also in this series:**

**"Engaging chapter books are just what kids need to develop fluency and comprehension, and these compelling true stories, full of intriguing information, will make kids want to read!"**

—Mariam Jean Dreher,  
Professor of Reading Education, University of Maryland, College Park
